

Diploma Requirements

Hello Geoff,

In order to apply for a Diploma, you will need to provide:

1. Completed Application form, or photocopy - page 23 of the Academy Year Book, with the subject areas noted (up to 3 areas).
2. Fee of AUS\$75.00
3. Satisfactory proof of two (2) years work in the subject area/s of your application. Evidence can include affidavits from co-workers, field reports, photos, journal articles or supporting other evidence. It is important that you do not send originals (photos, videos etc) which you want returned - please provide copies which can be kept on your file together with your application. If you do want documentation returned, please provide return postage. If you wish your documentation to be photocopied here, a charge of AUS\$0.25 per one sided page will also need to be added to your application fee.
4. Please provide a copy of your Permaculture Design Course Certificate.

If you provide me with your postal address, I can send the Academy Year Book to you - there is no charge.

You can pay by cheque, money order or credit card. We accept Visa, Mastercard and Bankcard. If you pay using your credit card, I can process the application upon receipt of your credit card details - I will need cardholder's name, card number, expiry date, and card type (Visa etc). You could fax or phone these details to us. For overseas orders, we prefer to use credit card - this also avoids the extra fee we need to charge for overseas cheque clearance, which is AU\$25.00.

Please let me know if you require any further information.

Sincerely,

Nina Shliapnikoff
